PAUL COLMAN TRIO LAUNCHES PC3 LIVE CDs and VIDEO

If you're somewhere between 12 and 50, and you've listened to Christian radio in this country, you've probably heard the Paul Colman Trio - many times!

From its beginnings in 1998, The Paul Colman Trio has also carved a formidable reputation for its powerful live performances across Australia, New Zealand, and the US.

Hailed as *Artist of the Year* by The Rock Across Australia charts earlier this year, PC3's success can now be traced with the release of the PC3 Live collection: two CDs - *PC3 Live - Electric*, *PC3 Live - Acoustic*, plus the *PC3 Video Collection 1998-2001*.

PC3 Live - Electric captures the magic of the trio's live performances with 11 songs including an extended version of *Dip* featuring Adrian Ross on didgeridoo, plus the previously unreleased *See My Baby*. This CD also features the talents of Adam Lester on guitars, and Derek Bailey on keyboards.

PC3 Live - Acoustic sees the trio in unplugged mode, and presents 11 songs including three previously unreleased songs — *Selfish Song*, *Forever Friend* and *Africa*.

PC3 Live - The Video Collection 1998 to 2001 includes film from Sydney and Melbourne concerts, plus extensive behind the scenes, backstage, and other never seen before footage of the group, as well as three video clips - *Turn*, *Run* and *Fill My Cup*.

The live CDs and video collection give an insight into the band, tracing the trio's history from the release of *Serious Fun* though to today.

Not only are the CDs and video "compulsory musts" for any fan of the trio, they are also a great appetizer for anyone interested in hearing and seeing great Australian Christian music.
